SCHOOL OF PRINCIPLES IN CHILD & YOUTH MINISTRIES

PCYM is a program that aims to expand your view of what God has done for and with children and families throughout the world and in His Kingdom, and to share with you His heart for children and families. We hope that by attending this school, you will be transformed in order to multiply what God has given you for His Kingdom!

MARCH 25th TO JUNE 22nd

OPTIONS TO FOLLOW THE SCHOOL

The PCYM is three months of living in community. Each week we will have a new speaker who lives out what he/she teaches! Each student will participate in local ministries. At the end of the school there will be Multiple opportunities for mission trips and involvement in children's and family ministry during the summer following the school.

Considering that not everyone is able to take off three months for the school and in the desire to serve the Church, each week will be open and will constitute a seminar in itself. To find about more about the school's program please [click here](#). You can register to audit all three months of classes or for the week(s) you are interested in attending. The price per week is about \$100 Canadian (does not include food or lodging). Our courses will be offered in the morning from 9 AM to 12 PM.
